

PHI NAMED A TOP ENGINEERING DIVERSITY FIRM

PHI is being featured in the 2008 edition of the **Vault Guide to the Top Engineering Diversity Programs**, as one of several top engineering firms for its commitment to diversity in the workplace. [Vault, Inc.](#) is a source of employment information for MBAs, JDs, college students and grad students. It partnered with [INROADS](#), a nonprofit organization that trains and develops talented minority youth for professional careers in business and industry, to develop the guide, the purpose of which is to educate the business and career center communities, as well as interested students and recent graduates, on the commitment and types of diversity programs in place at approximately 600 major corporations.

The Vault Guide will be distributed to 10,000 current and recent INROADS interns, and to the career center offices at approximately 500 colleges and universities in the United States.
